To Whom It May Concern:

I wish to advise that I have known Jan Weatherburn in her capacity of bookkeeper for various companies that I have been involved in/ associated with over the past 13 years.

She is extremely efficient, her quality of work is exemplary and her integrity beyond question.

Due to my average knowledge of accounting when first employing Jan as a bookkeeper, she has over the years, taken it upon herself to assist and train me in all necessary matters pertaining to accounting. Jan is always prepared to take on extra work relating to accounting functions. All her work has been completed on time, every time.

I would have no hesitation in recommending Jan for any type of work related to bookkeeping and accounting.

Yours sincerely
